Dear

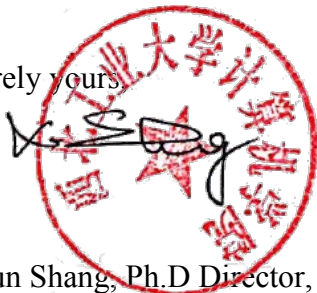

Welcome to attend the 2018 International Conference on Conceptual Modeling (ER2018), which will take place on October 22-25, 2018 in Xi'an city, ShaanXi, China. ER has established itself as the premier research conference in conceptual modeling.

ER 2018 provides a leading international forum for disseminating the latest research on conceptual modeling. It brings together academic and industrial scientists who conduct research in theories of concepts underlying conceptual modeling, methods and tools for developing and communicating conceptual models, techniques for transforming conceptual models into effective implementations, and the impact of conceptual modeling techniques on databases, business strategies and information systems development etc.

This letter and information are provided to facilitate your travel arrangements and visa application, if needed. This letter does not commit the ER 2018 to any legal responsibility for your conduct or for financial support of any kind. Participants must cover their own expenses to attend the conference.

We look forward to your participation at the conference.

Sincerely yours,

Xuequn Shang, Ph.D Director,
School of Computer Science,
ER 2018 Organization Chair
